### Training and Workforce Planning

Describe the arrangements in place during the last financial year for identifying, planning and meeting the training needs of staff employed by the service provider

Training needs analysis completed regularly with individuals and s taff team. Training matrix in place to identify training expiry/renewal. Training needs can also be identified at supervisions and apprais als and during any spot checks undertaken. Staff are aware they can request additional training at any time. We provide in house tr ianing for all mandatory courses and utillise socialcare.tv and external training providers for any additional training needs required.

Describe the arrangements in place during the last financial year for the recruitment and retention of staff employed by the service provider

Recruitment strategy in place, staffing numbers regularly monitore d to highlight any recruitment needs. Utilising online job postings, I ocal newspapers and regular attendance at job fairs. We have for med good links with local colleges and regulary have student plac ements, who are offered the opportunity of work. We have partner ed with Arriva Wales to offer new and existing staff discounts on b us travel. We are also researching staff rewards and referral prog rammes.

### Service Profile

### Service Details

| Name of Service  | St David's Residential Home                  |
|--|--|
|  |  |
| Telephone Number   | 01745353621                                  |
| What is/are the main language(s) through which your service is provided? | English Medium with some billingual elements |
| Other languages used in the provision of the service                     |  |

### Service Provision

## People Supported

| How many people in total did the service provide care and support to during the last financial year? | 83 |
|--|----|
| cappert to daming the last invarious year.   |    |

### Fees Charged

| The minimum weekly fee payable during the last financial year? | 636  |
|--|------|
| The maximum weekly fee payable during the last financial year? | 1026 |

### Complaints

| What was the total number of formal complaints made during the last financial year?  | 4   |
|--|---|
| Number of active complaints outstanding  | 0   |
| Number of complaints upheld  | 1   |
| Number of complaints partially upheld  | 1   |
| Number of complaints not upheld  | 2   |
| What arrangements were made for consulting people who use the service about the operation of the service during the last financial year? | RI will carry out visits at least once every 3 months. The visits are structured to engage with residents, staff and, when available, fa mily and health professionals to gain an overview of the performa nce of the service. We have various systems in place to ensure o ngoing compliance and quality. These include an in depth 6 mont hly quality assurance review. The Autumn review is conducted thr ough the medium of questionnaires which seek the views of our in dividuals, families and visiting health professionals and our staff. The analysis of the survey results is reviewed in depth by the man agement team. In addition the RI will engage with individuals regar ding their responses, in particular to address any issues. The Spring review coincides with the financial year end and comprises a quality analysis of the monthly audit reports, the complaints files, the preceding year's inspection reports and a further review of our policies. |

## Service Environment

| How many bedrooms at the service are single rooms?                      | 48   |
|---|--|
| How many bedrooms at the service are shared rooms?                      | 4  |
| How many of the bedrooms have en-suite facilities?                      | 33   |
| How many bathrooms have assisted bathing facilities?                    | 2  |
| How many communal lounges at the service?                               | 3  |
| How many dining rooms at the service?                                   | 1  |
| Provide details of any outside space to which the residents have access | We have a large, secure garden area which is accessed either fro m our garden Lounge through large French doors which allow for wheelchairs and mobility vehicles to access. Access is also availa ble through a locked side gate via our car park. The garden has a pergola and various seating, benches and a double swing along with trees and various floral planted displays. There is also a sens ory garden with planted herbs and fragrant flowers along with a w ater feature. There are paths around the garden for access. During the summertime, events are held in the garden with marquees and additional seating. |

Provide details of any other facilities to which the residents have access

Individuals have access to the Homes external telephone lines, ar rangements can be made for a BT private line to be installed in a n individual's bedroom on request. We offer free Wi-Fi internet access. Physiotherapy can be arranged following the referral from a G.P. or occupational therapist A Hairdresser visits the home as re quired; however, all residents have the choice to use a local haird resser and this can be arranged upon request. The Chiropodist vi sits the home every 6 weeks. There is the availability for all individuals to have an eye test/health check on a yearly basis. Dental ar rangements are available. We undertake all laundry in-house. Wh enever possible the individual will continue to use their present G.P. on admission. If, for any reason the individual is unable to continue with their present G.P. the Home will assist the individual to re gister with a new G.P. We work closely with the local district nurse team, who support the home and our residents

### Communicating with people who use the service

| Identify any non-verbal communication methods used in the provision of the service          |    |  |
|---|----|--|
| Picture Exchange Communication System (PECS)  No  |    |  |
| Treatment and Education of Autistic and related Communication-handicapped CHildren (TEACCH) | No |  |
| Makaton   | No |  |
| British Sign Language (BSL)   | No |  |
| Other   | No |  |

### Statement of Compliance

The Responsible Individual must prepare the statement of compliance.

CIW have published guidance on completing the quality of care review which provides advice on what could be contained within the statement of compliance.

Set out your statement of compliance in respect to the four well-being areas below.

The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.

We have received excellent feedback from our surveys and the feedback received reflects our staff and management team's h ard work during and coming out of the covid 19 pandemic. We are looking forward to the "new normal" and facilitating further a ctivities and events now that it is safe for our residents to do so. We have reviewed all responses to our survey and action plans put in place to ensure all items raised are dealt with appropriate ly and timely.

Our redesign of our main lounge is in progress and forms part of our continuing improvements to St David's and its environment

The completion of our dedicated Wifi system is now complete a nd has improved care reporting and accessibility for our reside nts.

The extent to which people are happy and supported to maintain their ongoing health, development and overall wellbeing. For children, this will also include intellectual, social and behavioural development.

We have received excellent feedback from our surveys and the feedback received reflects our staff and management team's h ard work during and coming out of the covid 19 pandemic. We are looking forward to the "new normal" and facilitating further a ctivities and events now that it is safe for our residents to do so. We have reviewed all responses to our survey and action plans put in place to ensure all items raised are dealt with appropriate ly and timely.

We have received positive feedback from our residents followin g the reinstatement of many activities and we are pleased repor t a positive impact on their well being following these activity se ssions, and these will be expanded upon over the next few mon ths as we continue to recruit to our activities team

| The extent to which people feel safe and protected from abuse and neglect.  | We have received excellent feedback from our surveys and the feedback received reflects our staff and management team's h ard work during and coming out of the covid 19 pandemic. We are looking forward to the "new normal" and facilitating further a ctivities and events now that it is safe for our residents to do so. We have reviewed all responses to our survey and action plans put in place to ensure all items raised are dealt with appropriate ly and timely.  Feedback from our residents and their families demonstrate the y feel safe and protected and are happy and cared for in a war m and friendly environment.   |
|---|--|
| The extent to which people live in accommodation that best supports their wellbeing and achievement of their personal outcomes. | We have received excellent feedback from our surveys and the feedback received reflects our staff and management team's h ard work during and coming out of the covid 19 pandemic. We are looking forward to the "new normal" and facilitating further a ctivities and events now that it is safe for our residents to do so. We have reviewed all responses to our survey and action plans put in place to ensure all items raised are dealt with appropriate ly and timely. Feedback from our survey indicated that over 92% of residents felt that staff know their preferences, they feel they are well trained and are friendly and polite and were happy with the care provided. |

The following section requires you to answer questions about the staff and volunteers working at the service.

Number of posts and staff turnover

The total number of full time equivalent posts at the service (as at | 34 31 March)

> Induction Health & Safety

The following section requires you to answer questions about each staff type including information about the number of filled and vacant posts, the training undertaken, the contractual arrangements in place and the qualifications of those staff.

The information entered should relate to the period during which the staff member has been working for the provider only.

# Staff Type
